Off The Bone Barbeque Kicked Off 10 Year Anniversary at Taste Of The Cowboys

Dallas, TX - April 10, 2018 Off the Bone Barbeque, of Dallas, impressed attendees during the Taste of The Cowboys at the Ford Center in Frisco this past Sunday. Guests were able to sample their famous ribs and gourmet blue cheese coleslaw as part of the fundraising event for The North Texas Food Bank. This was the 6th year Off the Bone Barbeque participated in the event.

"We thought participating in the Taste of The Cowboys again this year was a great way to kick off our 10-year anniversary," stated co-owner and Pitmaster, Dwight Harvey. His wife and co-owner, Rose Broussard, is the creator of their delicious gourmet side dishes and desserts.

Plenty of well wishers visited the Off the Bone Barbeque booth and congratulated them on their 10-year anniversary and posed for photos including Dallas Cowboy's coach Jason Garrett and mascot Rowdy. [CLICK HERE FOR PHOTOS.](#)

Pitmaster Dwight has created a unique style of "falling off the bone barbeque" with a Texan-Cajun flare that has guests coming back again and again for more. Rose's gourmet side dishes and desserts would have Martha Stewart's mouth watering. Guest favorites include the Con Queso Mac & Cheese, Bacon Blue Cheese Cole-slaw, Triple Chocolate Pecan Cake and Chocolate Chip Pecan Cookies.

The duo opened Off the Bone Barbeque, located at 1734 South Lamar Street in Dallas, 10 years ago after both retired from successful careers at Frito-Lay. They updated and expanded their landmark location in 2015. [CLICK HERE FOR PHOTOS](#)

When Dwight and Rose are not at the restaurant serving guests, they are out and about in the community. They support so many community projects and participate on the Board of Directors for the Greater Dallas Restaurant Association.

As a special promotion for their 10-year anniversary, Off the Bone is offering a [10% discount](#) on in-house dining and catering when mentioning their 10-year anniversary through June 1, 2018.
